

Welcome to Psychic & Energy Work's Home Page

for August 2020

Hello and welcome to Psychic & Energy Work, a Sydney-based site focused upon spiritual growth. It aims to help people make sense of energetic and real-world phenomena. By releasing what's "not", we often help ourselves optimise what happens next.

Psychic & Energy Work offers readings, healings, spirit work, space clearings, past life sessions, numerology, courses and intuitive mentoring. It is all-culture, -ability and -gender friendly. To learn more, scroll through the Pages menu to the left or below (depending upon the device you're using).

You can read reviews on Google ([here](#)) or [get in contact](#) via phone, sms, email, WhatsApp or Skype. Feel free to look through my Shop as well!

Face-to-face sessions are available and adhere to social distancing requirements. That said, working at a distance is just as effective if you'd prefer that. We can work this out when you get in contact (which is best done via phone or sms) – [click here](#).

Recapping last month...

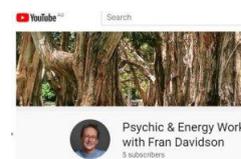

It goes without saying: "July" delivered a few more things for selves to work through. Covid-19 bounced back to trigger updates to mindsets and rules. "2020" is BIG on space because of its value in processing things. There's no better way of forcing focus than keeping self away from being (so) busy. That might sound light, even dismissive, but isn't why I write these comments. "2020" is all about placement and time out as critical "success" factors in our recipes.

Have you, of late, been encouraged to work through previously elusive stuff? Last month delivered "5"s and "11", and both of those vibes can stir things up. They're spiritually laden with change dynamics - internal and outer; cut-through; truth. They often highlight more of the details – things we've not noticed or sensed until now. Last month was full invisibly speaking - lots of head and psychic rhythms. If you found yourself needing to clear more, you were very much in sync. "5" is "grow", "change", "stretch further"; "11", "honour truth as it is **now**". "3"s revealed how we could look after more of all. "7"s popped in to enhance perspectives; add to our views; bring whole, new points. Last month was substantial in how it guided people to clear, download, heal and sort.

What about this month?

“August” should feel a little gentler given its chart has fewer active points. That’s a brave comment because, even so, a few “8”s present. This number audits “okay-ness” – are you **really** happy; is ‘this’ right? We have, of course, been working with such dynamics all year. The specific chart bears “3”, “6” and “9” - vibes which are feelers, healers, carers. This “August”s specific M.O. is “96/6” which can see life becoming kinder or softer. These things noted, “7”s stay high plus nine “2”s present. When “1” features far less than this last vibe – as it does this month – self can be nudged towards the backseat.

Within the above lies community-focus; respecting **all** needs (not just a few). Majorities and minorities can become myopic for all sorts of reasons. Everyone **and** everything matters – healing’s important; none matters more. Each has its place, priorities help, yes, but that needn’t trigger an under- or over-valuing. This year, life’s leading us all through these rhythms so as to get more basics right. “2020” boils down to “4” which denotes fundamentals (platforms) in life. What does self **choose** to launch from each second? Getting “it” right is a conscious dance and may unfold louder over the course of this month. Five “9”s will guide us through entrenched cobwebs, freeing us up from what’s stale or confined. In all, this “August” could promote equity, equality and fairness at new levels. “3”, “6” and “9” are **feeling** vibes that steer individuals to bigger picture ways. Don’t be surprised if, this month, life helps you become wider again. **To read Psychic & Energy Work's full forecast for this month, click [here](#) or upon *Monthly Observations* in the Page menu.**

On Thursday, 6th August, I’ll be joining Michael Hunter on Three D Radio’s Metaphysical Show. Join us, live-to-air at <https://www.threedradio.com>, 9pm South Australia time. We talk explore things energetic and spiritual, and offer free mini-readings. If you would like one, email your first name(s), date(s) of birth and question to metaphysicalshow@gmail.com before or during the program.

The Metaphysical Show is one of Australia’s longest running spiritual programs. Over the last 3-4 decades, Michael has helped listeners to connect with a wide range of “new age” music and practitioners. I am fortunate to accompany him on a reasonably regular basis. If you can’t make the Show, you can visit this page to hear it from the Monday after the Show is streamed (August 10).

Based in the Inner West of Sydney, I work with people face-to-face, via phone, video, email, Skype or WhatsApp. To develop intuitively or book a session, [click here](#).
