

## Welcome to Psychic & Energy Work's Home Page

for July 2020

Hello and welcome to Psychic & Energy Work, a Sydney-based site focused upon spiritual growth. It aims to help people make sense of energetic stuff. By releasing what's "not", we help ourselves to optimise what unfolds.

Psychic & Energy Work offers readings, healings, spirit work, space clearings, past life sessions, numerology, courses and intuitive mentoring. It is all-culture and -gender friendly. To learn more, scroll through the Pages menu to the left or below (depending upon the device you're using).

You can read reviews on Google ([here](#)) or [get in contact](#) via phone, sms, email, WhatsApp or Skype. Feel free to look through my Shop as well!

Face-to-face sessions are available and my set up adheres to social distancing requirements. Working at a distance is just as effective if you'd prefer a session like that. We can work this out when you contact (which is best done via phone or sms).

### Recapping last month...

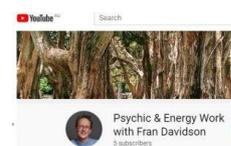

How did you fare with "June"s eclipses? Did things play out more evenly? Were you asked (and helped!) to shift some dynamics meaningfully? "1"s reduced, "2"s remained high so in came more lessons about sharing space. That doesn't mean that you did the learning – you may have merely triggered such states. We've another eclipse "July 4" marking the end of the Cancer-Capricorn series. High people lessons are not new but they're always serious about shaping futures.

What's been has been and may still have value but Source wants new alignments. This can speak of inner or outer change, and "2020"s here to provide space for those things. Covid-19 is one aspect of this year's "0"s (more space and lack). Zeros mean "nothing" and zones self's unsure of; the type that trigger growth long-term. New directions are always emerging; you are, no doubt, sensing this too. Sometimes fresh streams intrude "unfairly" yet they always benefit life somehow. Don't lose faith if flow is uncertain – "zero" is the start of whole, new, good roads. The dare is to remember this when life challenges.

You can review my *Observations about June* in *The Archives* and/or my *2020 forecast* here.

They seek to provide snippets about readings, clearings and other forms of energy work. They're available on Psychic & Energy Work's YouTube channel - click on the image to the right or view them on my new *Videos* page.

## What about this month?

This month, “2”s increase; “1”s reduce; and “7”s bloom in tally. Placement, position, purpose and fit could matter more spiritually. Relating well is central in most things; this month’s “2” count could help difference add good more. “3”s, “9”s and “7”s will throw spotlights onto real-world imbalance. In doing this, they’ll help us “see” a little further, deeper, wider again. “1” features less so self as a driver (and its opinions) may quieten. Don’t be surprised if you spend more time observing, gleaning, working things out. “0”s stay high – five again this month; the “unknown” could challenge some days.

A lot of these aspects speak of the background – discoveries good futures need us to make. Every second can require such things but this month might prepare us for more great adventures ahead. “3”s also signal realisations; the chance to talk; gestures from soul. “9”s could trigger more closure and clearing of cupboards, models, stances, minds. “5”s pop up (only in two spots) to highlight more of what’s possible. Remaining open to change and adjustment could emerge as a louder theme. All in all then, it’s a time that’s likely to boost grounding and balance. **To read Psychic & Energy Work’s full forecast for this month, click [here](#) or upon *Monthly Observations* in the Page menu.**

On Thursday, 2 July, I’ll join Michael Hunter on Three D Radio’s Metaphysical Show. Join us, live-to-air at <https://www.threedradio.com>, 9pm South Australia time. We talk explore things energetic and spiritual, and offer free mini-readings. If you would like one, email your first name(s), date(s) of birth and question to [metaphysicalshow@gmail.com](mailto:metaphysicalshow@gmail.com) before or during the program.

The Metaphysical Show is one of Australia’s longest running spiritual programs. Over the last 3-4 decades, Michael has helped listeners to connect with a wide range of “new age” music and practitioners. I am fortunate to accompany him on a reasonably regular basis.
