

Welcome to Psychic & Energy Work's Home Page

for October 2021

Hello and welcome to Psychic & Energy Work, a Sydney-based site focused upon spiritual growth. It aims to help people make sense of invisible dynamics as they arise. By releasing what's "not" energetically, we help flow to optimise. Life's, after all, layer on layer and the dare is to get the balance right.

Psychic & Energy Work offers readings, healings, spirit work, space clearings, past life session, numerological profiles and intuitive mentoring. It is all-culture, -ability and -gender friendly. To learn more, scroll through the *Pages* menu to the left or below (depending upon the device you're using).

get in contact via phone, sms, email, WhatsApp or Skype; and...

feel free to look through my *Shop* as well!

Face-to-face sessions are not available during Sydney's lock-down. **I can work with you via phone or video which is just as effective.** We can work this out when you [get in contact](#) (which is best done via phone or sms).

Recapping last month...

"September" was due to be a doozy. Is that how it unfolded with you? Seven "5"s sought newness and freshness. There are all sorts of ways that can come about. "5" wants us pioneering; sensing new landscapes, entering them. It can be a gentle guide or a phase that triggers stress. It's all designed to get self "there" – the future, breakthrough, vision in life. Seven "5"s is a lot of stretching of habit, perception, boundary, approach. They also flagged movement, spiritual shifts; releasing old for new life to come. New South Welsh "men" heard about freedom; small groups began re-enjoying themselves. After three months of lock-down, this was nice to witness. "5" is evolution on any level. Where did "September" give you a nudge?

Last month eased up on placement, providing more room to reflect. "4"s triggered insights, clarity, awareness. Worlds started opening up again. If you found this, you weren't alone. "4" gets people ready to launch. "5" and "4", together, help folk sense more about where to from now on. They steer selves into better alignment; flow as they know it can be. As chapters, they prep and hone dynamics to help selves actualise practically. **Go through to *The Archives* to review my *Observations about Last Month*. Feel free to watch my energy work videos

... About past life work; imagination vs intuition; and intuitive vs spiritual guidance. Watch them on my YouTube channel by clicking on the image to the right or going through to my [Videos](#) page. Like earlier posts, they provide snippets about psychic and energy work, and aim to help you access greater guidance.

What about this month?

This month, "1"s and "2"s return; self-knowledge and discovery are back. They're never not present as dynamics yet last month saw a lightening in them. "3"s, "5"s and "8"s feature as well. They're all active so life might feel more busy. "3" is a time to realise, express; create even better than we had been. "5" denotes self's launch into new realms; life seeking change, perhaps fresh air. It wants people moving and shifting into their lives as adventure. It helps us be as well as we're able, providing choice and room to grow. Development is a life-long journey. "October" might, in this respect, get loud. After months of long lock-down, many are ready for open field. No number flags only what is stretching. Sometimes, "3" and "5" see things unfolding seamlessly.

We are, of course, starting the last quarter of this Western calendar year. Life could, therefore, encourage completion. What can you sort out or make more room for? Where might you spring clean - mental, emotion, relations (of course), energetic, physical? More shifts are due and "6"s, this month, could proactively steer you. Balance is key when "6" comes calling - **genuine** being, more awake. Don't be surprised if dreams or waking moments find you seeing more in or of your landscape. Enhancement of vision and purpose could birth, helping you appreciate more of all life's gifts. With this, may emerge happiness, etc; more energy to keep going! **To read *Psychic & Energy Work's* full forecast for this month, click [here](#) or upon *Monthly Observations* in the Page menu. On Thursday, 7 October, I will join Michael Hunter on this month's Metaphysical Show on Adelaide's Three D Radio. Join us at threedradio.com, 9pm South Australia time, as we go live-to-air. We talk about things energetic; look at numerology; and offer free mini-readings. If you'd like one, email your first name, date of birth and question to metaphysicalshow@gmail.com before or during the program.

Some background... The Metaphysical Show is one of Australia's longest-running, spiritually-focused radio programs. Over the last 3 decades, Michael has connected listeners with "new age" thoughts, practitioners and music. I am fortunate to accompany him regularly and, once on air, the Show just kicks in. **If you can't tune in this month, feel free to come back from Oct 11th to hear it here.**

Based in Sydney's Inner West, I work with people face-to-face, via phone, video, email, Skype or WhatsApp. **To develop intuitively or book a session, [click here.](#)**
